MBUYI MBUYI Dieudonné

Résumé

Experienced social and data field professional with over 3 years of experience in voice transcription, data annotation, genealogy data processing, and humanitarian field projects. Proven ability to accurately listen, transcribe, label, and organize audio and textual data according to strict quality standards. Hands-on experience with voice-based data collection tools, genealogy transcription, and AI-support projects. Detail-oriented, reliable, and highly motivated to contribute to Voice Annotation / Transcription and Genealogy Projects.
